

# SUNDAY 15th

## Sunday Communion: 10.30am

Trinity Gift Day with special Ghanaian-style collection and a second sermon from Sue Mallinson. Welcome to Susan Bolen who is an ordinand on placement with us for 3 weeks.

## Bring 'n' Share Lunch

Bring and Share lunch in the Church Garden to complete our weekend together at home.

## cost:

We know many people are on very tight budgets so we have kept the costs of this weekend to a minimum.

If you want to come to just one or two events for which there is a suggested donation, you can simply give it when you arrive. However, we encourage most people to buy a weekender bracelet ticket, which offers outstanding value - then you don't have to worry about paying for this or that, and you can come to as much or as little as you like.

The cost of weekender tickets is as follows:

£12	adults
£6	8-18yrs
£3	5-8yrs
£0	under 5s

If this is still more than you can afford right now, just tell Richard and you will be able to have a bursary.

If you would like to give **more** than the suggested amount, please do! Any surplus generated by this weekend will go to the Vicar's Discretionary Fund for future bursaries.

## SIGN UP TODAY !

Please sign up to the weekend as a whole, but there are some events where it is particularly useful to know numbers.

Please look out for the special sign up sheets.

## HELP!!

Putting on a weekend like this obviously takes a lot of work. If you can help with anything, please speak to Richard, Jacky, Aileen, Susi, Jean, Eunice, Adam or Jo and we'll make sure your offer gets through to the right person.

Examples of help:

- "I'll help wash up after the film night."
- "I'll help with the sleepover (need DBS)."
- "I'll help cook or serve at the Women's Breakfast."
- "I'll help run the School Barbecue."
- "I'll help run the model-making."
- "I'll help set out the chairs & tables for the fish 'n' chips & Barn Dance"
- "I'll organise the tea break on Saturday"
- "I'll get biscuits or cakes for the tea break."
- "I'll collect the fish 'n' chips from Ken's."
- "I'll help clearing away fish 'n' chips."
- "I'll contribute a side-act at the Barn Dance."
- "I'll sign up and bring some food to share for Sunday lunch."
- "I'll make sure I've signed up on the specific sign up sheet so that we know numbers for each event."

Or you may come up with your own ideas of ways you can help, just by looking through the programme.

We want everyone to enjoy this weekend and if everyone makes a point of chipping in a little, it will go like a dream!

June 12th-15th 2014

Hi there,

I'm so glad you're coming on the weekend "at home" - you are coming aren't you?

Two years ago, our last Weekend at Home was a great success, and following our Weekend Away last year I want work on a three-year cycle: Weekend Away, Weekend at Home, Weekend Mission. So next year our weekend will be a parish mission - hopefully involving some hands-on building!

Back to this year though: There's a great programme running right through the weekend - starting on Thursday Night. You may not be able (or allowed!) to go to everything, but may I particularly encourage you to come along to the school fair, even if you don't have children there. And even if you're helping run the fair, come back to church after, flop down and be served a cuppa with fish & chips - because later we're going to have a great Tulse Hill Barn Dance. And don't forget, Sunday is our Gift Day in aid of the Straw Bale project, with a bring 'n' share lunch after.

Some items on the programme cost money, but everything is "more or less". That means, if you can't afford it, give what you can; and if you want give more that's great! But the simplest thing is to buy a weekender ticket which covers everything except the Women's Breakfast, which is financed independently..

If you have any questions - just ask!
