

If there were just 100 parishes in the whole of England & Wales, we would rank:

93rd highest child poverty

96th highest pensioner poverty

86th highest working age poverty

95th highest proportion social housing

98th highest proportion of lone parents

97th highest proportion of ethnic diversity

25th from the bottom for boys life expectancy

43rd from the bottom for girls life expectancy

29th from the bottom in having no qualifications

1st lowest proportion of people over 65
